Q: Get sum in sales table order by date I need to display the sum of all sales items in a given order. The date is saved as a timestamp in the sales table. SELECT

---

SUM(quantity) AS amount\_sales FROM sales WHERE date BETWEEN '2013-08-01' AND '2013-08-31' GROUP BY order\_id But I get only one value.

How can I get the total of the sales for a given date? A: You can try this :

```
SELECT SUM(quantity) AS amount_sales FROM sales WHERE date BETWEEN '2013-08-01' AND '2013-08-31' GROUP BY order_id;
```

Former MP Andrew Davies has called for an immediate end to the Government's controversial Direct Provision scheme and to find a solution to the crisis that will see people in Ireland

---

sleep rough. The MP for Preseli Pembrokeshire said that ending the Direct Provision system would help to alleviate the number of people sleeping rough in Ireland, and that the Government should make a commitment to it. The comments come after Prime Minister Enda Kenny said this week that the numbers in Ireland had been falling. Mr Davies told the World Tonight that Irish people had been coming over for over 20 years. "I've been round the country to see what they are doing. They are doing very well in certain parts of the country. "I think that they have enough
