Update: No bots or cheats in this game. The Binding of Isaac: God Mode, How to Hack:. Note: Currently there is a problem with this "God Mode" and you can't progress while in God Mode. Rules of the game As the game begins, Isaac is awakened by a mother who has become pregnant with a monster. Told to flee the castle before the fetus is born, Isaac finds refuge in a dungeon and is taken to the last room before the exit. As Isaac plays the game, his mother gives birth to many monsters who wish to kill Isaac, a prospect of which he finds amusing. Gameplay There are three main gameplay elements, Isaac, a randomly generated dungeon and monsters. The game's length is short and the player may die many times before escaping. The mother monster gives birth to a unique monster, which cannot be found in other games. Some monsters can be born
